## GUIDE TO MARKING OF REFEREES

The mark awarded by a club must be based on the referee's overall performance. It is most important that the mark is awarded fairly and not based upon isolated incidents or previous games. The referee's performance should be determined by the table below, which should act as a guide for the overall mark, which should fall within the range for each standard of performance.

Mark Range	Comment
91-100	The referee was extremely accurate in decision making and very successfully controlled the game using management and communication skills to create an environment of fair play, adding real value to the game.
81-90	The referee was extremely accurate in decision making and very successfully controlled the game using management and communication skills to create an environment of fair play.
71-80	The referee was extremely accurate in decision making and controlled the game well, communicating with the players, making a positive contribution towards fair play.
61-70	The referee was reasonably accurate in decision making, controlled the game quite well and communicated with players, establishing a reasonable degree of fair play.
51-60	The referee has some short comings in the level of accuracy of decision making and control, with only the limited success in communicating with the players resulting in variable fair play.
50	The referee has significant shortcomings in the level of accuracy of decision making and control with poor communication with the players which resulted in low levels of fair play.

### Notes

Using a scale of up to 100 allows greater flexibility for clubs to distinguish between different refereeing performances more accurately.

A mark within each mark range can be given to reflect the referee's performance e.g. a mark of 79 indicates a somewhat better performance than a mark of 71.

**A mark between 71 and 80 represents the standard of refereeing expected.**

When a mark of 50 or less is awarded, an explanation must be provided to the League or Competition. It must include comments which could help improve the referee's future performances. Even where a referee has significant shortcomings, there will have been some positive aspects, which should be given credit. Extremely low mark (below 20) should be very rare.

## HOW TO DECIDE ON THE REFEREE'S MARK

The following questions focus on the key areas of referee's performance. They are intended as an 'aide memoir' and are not necessarily comprehensive. It is, however, worth considering before committing yourself to marking the referee.

### CONTROL AND DECISION MAKING

- . How well did the referee control the game?
- . Were the players' actions recognised correctly?
- . Were the Laws applied correctly?
- . Were all incidents dealt with efficiently/effectively?
- . Were all the appropriate sanctions applied correctly?
- . Was the referee always within reasonable distance to incidents?
- . Was the referee well positioned to make critical conditions, especially in and around the penalty area?
- . Did the referee understand the players' positional intentions and keep out of the way accordingly?

- . Did the referee demonstrate alertness and concentration throughout the game?
- . Did the referee apply the use of the advantage to suit the mood and temperature of the game?
- . Was the referee aware of the players' attitude to advantage?
- . Did the referee use the assistants effectively?
- . Did the officials (where assistants are appointed) work as a team and did the referee lead and manage them to the benefit of the game?

### **COMMUNICATION AND PLAYER MANAGEMENT**

- . How well did the referee communicate with the players during the game?
- . Did the referee's level of involvement/profile suit this particular game?
- . Did the referee understand the players' problems on the day – e.g. difficult ground/weather conditions?
- . Did the referee respond to the changing pattern of play/mood of the players?
- . Did the referee demonstrate empathy for the game, allowing it to develop in accordance with the tempo of the game?
- . Was the referee pro-active in controlling the game?
- . Was the referee's authority asserted firmly without being officious?
- . Was the referee confident and quick thinking?
- . Did the referee permit undue questioning of decisions?
- . Did the referee appear unflustered and unhurried when making critical decisions?
- . Did the referee deal effectively with players crowding around after decisions/incidents?
- . Was effective player management in evidence?
- . Was the referee's body language confident and open at all times?

### **Final Thoughts**

- . Always try to be objective when marking. You may not obtain the most objective view by marking immediately after the game.
- . Judge the performance over the whole game. Do not be influenced by one particular incident.
- . Don't mark the referee down unfairly because your team was unlucky and lost the game or some disciplinary action was taken against your player/s.

### **HINTS TO REFEREES**

Referees are requested to note the following:-

- 1 They should make themselves fully acquainted with the details of Rule 13.
- 2 When weather conditions, although not bad enough to make the possibility of play doubtful, the referees are asked to arrive at grounds, giving themselves enough time to inspect the pitch and apparatus. Early inspections and decisions are desirable in the interest of all concerned.
- 3 Referees must send the Referee Result Sheet, fully completed, to the Hon. Referee Secretary within three days of the game being played.
- 4 They must report, without fail, all late starts, postponed or abandoned matches to the Hon. Referee's Secretary as soon as possible.
- 5 The duration of all matches shall be 90 minutes, with an interval of no less than 5 minutes and no more than 15 minutes, at half time. In very exceptional circumstances, only 80 minutes need be played, but it is expected that this option will be used sparingly.
- 6 In order to ensure matches start punctually, ensure both teams are ready to enter the field of play (if they have not already done so), 5 minutes before the appointed kick off time and report every case of delay in the time of kick off also informing the offending team.
- 7 Provided both teams have a minimum of 7 players ready to play the game, the referee shall order the match to commence at the appointed time.

## CODE OF CONDUCT

This code of Conduct gives the minimum standard of behaviour expected for all League Clubs and their members. Football is a game, which should be enjoyed and should be played in a spirit of friendship by players, match officials and spectators alike.

### PLAYERS

- . The League expects fair play at all times.
- . Shake hands with match officials and opponents after the game (whatever the result).
- . Do not become involved in disputes with officials, opponents or spectators.
- . Do not use offensive, insulting or abusive language towards officials, opponents or supporters.
- . Let the referee handle incidents in the game. Do not retaliate against opponents.
- . Do not applaud sendings-off or the errors of opponents.
- . Treat the changing rooms and facilities of all Clubs you visit with respect.
- . Teamwork, effort and enjoyment are as important as winning. Learn to win and lose with dignity.
- . Remember, you are representing your Club and the League. Be sensible and enjoy yourselves.

### OFFICIALS, (Team Managers, Coaches, Club Officials etc.)

- . Officials, particularly Managers, have a crucial role to play in the game.
- . Encourage your players to play in the correct spirit.
- . Do not abuse your own players or those of the opposition.
- . Handle any unruly behaviour among your spectators before it gets out of hand.
- . Do not use offensive, insulting or abusive language to match officials, players or spectators.
- . Under no circumstances enter the field of play during the course of the match unless expressly requested to do so by the referee.
- . Referees and spectators who are officiating as referees or assistant referees have the full authority of the FA. It is the responsibility of Club Officials to ensure they are treated with respect.

### SPECTATORS/SUPPORTERS

- . Your actions influence the mood of the players and the game.
- . Keep behind any barriers around the pitch at all times.
- . Do not use offensive, insulting or abusive language to match officials however much you disagree with their decision.
- . Encourage all players and applaud their efforts.
- . Do not ridicule opponents for their mistakes.
- . Do not applaud foul play and do not incite your players to foul.
- . Do not use offensive, insulting or abusive language to players or other spectators.
- . Do not use physical violence or threaten anyone.
- . **You must not enter the field of play during a game unless asked to do so by the referee.**
- . Remember, when you are supporting your team you are representing your Club and the League

# MATCH PROCEDURES

THESE NOTES ARE ISSUED FOR THE GUIDANCE OF CLUB OFFICIALS. CONSULT LEAGUE RULES AT EVERY STAGE.

## **IF YOU ARE PLAYING AT HOME:**

### **THE WEEK BEFORE THE GAME (NO LATER THAN THE TUESDAY EVENING)**

Advise the visiting side of all match details including KO time, team colours and ground directions, especially any deviation from the directory.

Advise your age group co-ordinator of your kick off by updating the league website.

## **BAD WEATHER**

Keep the visiting side informed. Ask for a latest departure time and/or mobile emergency number.

If possible, make an early decision (the day before if appropriate) to prevent unnecessary travel.

## **IMPORTANT TO BOTH TEAMS:**

The home team must provide two match balls.

Ensure players REMOVE all jewellery.

Ensure that squad lists are available at the game (this is a necessity, not a recommendation).

Complete your Match Result Sheet on line as soon as possible after the game and by the Wednesday following the game at the latest. Every detail must be included.

**Home Team to input result into league website by 7.00 p.m. that day**

***(Be warned - anything contrary to the above may result in a League fine for your Club)***
